

## “School Tours”

**History and Biology can be exciting** - Fraser River Safari can bring the classroom to life, whether it is Simon Fraser’s epic journey, the Gold Rush of 1858 or the life cycle of the salmon.

These soft adventures can take classes into many different areas of the Mighty Fraser and can be customized to fit your group’s particular needs. Contact our booking office to create an itinerary to compliment any curriculum.

On tours that head east to Harrison Mills we can arrange a fun break off of the boat at the half way point. This part of the adventure will take your group up to Kilby to tour the museum and farm which only enhances the experience. [www.kilby.ca](http://www.kilby.ca)

**For student tours we offer one complimentary chaperone seat per every 10 students**

**ALL PRICES INCLUDE 12% HST**
