

“Custom Group Tours”

We can accommodate groups of any size- Are you an activity coordinator or perhaps you are planning a family get together or the office party? Fraser River Safari can help make this job a whole lot easier and make you look pretty amazing in the process.

Customer Service is #1 – The crew of Fraser River Safari is the hardest working people we know (just ask us). As a company of two people, every tour is a direct reflection of our values so we go the extra mile to make sure the experience we deliver is a great one. This is another reason many tour companies have come back year after year.

Tour options can be customized to fit any group or any budget- With tour options that range from 60 minutes to 4 hours and segmented tours to keep the coach groups moving along our booking office can work with any group to create a “safari” that works with any itinerary. Fraser River Safari also has great partners like Kilby Historic Site where we can arrange private tours and delicious meals or if we head down river the Fort Langley Pub is another great meal option.

ALL PRICES INCLUDE 5% GST
